

Andrew and Jackie
Lord Thompson Manor

Dear Andrew and Jackie,

There are no words adequate enough to describe our daughter's reception on Sunday. The responses we received from our guests that evening and the phone calls to Rosemary and Eddie and to us the next day were unbelievable. "Beautiful decor," "professional yet friendly service," "the best displays and best food" they have ever tasted. When my husband says everything was absolutely perfect, then you know it was.

Jackie, the seashell wreath on the front door, the seashells complementing the table decor, and the candles glowing in every room—I certainly hope our photographer captured all of this.

So much thought and hard work by you and your outstanding staff made it a memorable day for all our family and friends.

Many, many thanks,

Alice Compagnone
