Dear Jackie, Andrew, Ted and Kelly:

Our deepest thanks to all of you for making our wedding weekend as fabulous as we could have hoped. We're back from our honeymoon to Sicily, which was wonderful, and have a lifetime of memories of our special few days in Thompson. The service and food were all outstanding, beyond even our own very high expectations. We're now suffering from a little bit of post-wedding depression, wishing the party could have just kept going on! Hope you have a great summer of weddings, with weather as great as we had.

Best,

Carrie & Michael
