Hi Jackie,

Just wanted to say thank you so much for sending us all of those photos! You really got a lot of great shots! Did you take those photos with a digital camera? If so, I was wondering if you could send them to me on a CD that way I could divide the hard copies up and send them to our grandparents.

Everyone has still been raving about how wonderful the wedding was. A lot of people said it was the best wedding they've ever been to. Our parents have been constantly receiving phone calls and letters from friends and family saying how much they enjoyed themselves and that it was a first class wedding all the way. Everyone really enjoyed themselves, especially us. I'm sad that it's over, it really was one of the best days of my life and I really enjoyed working with you and everyone at the Manor. Thank you for all your help, you are very gifted and really have a great way with people. I'm happy that you were able to connect with Matt's grandmother Ida, she is a wonderful woman. Again thank you so much. It was truly unforgettable.

Best regards,

Christine
