

Dear Jackie & Andrew,

There aren't words to describe the magical setting you provided for Matt & Stacey's wedding last week. All of our family and friends cannot stop calling to talk about how beautiful the wedding was, from beginning to end. You both provide such attention to every detail seamlessly, and make every guest feel that they are being treated with special care.

Jed, at the manor, and Kelly, at the cottage, also added to making those of us who were fortunate to stay at these locations feel well cared for and special.

The food was delicious, all weekend, and the service was impeccable without being obtrusive.

It is very clear to us how much thought, effort, planning and caring you put into whatever event takes place at Lord Thompson.

We know that Matt and Stacey will remember their wedding weekend as one of the most special moments in their lives. We can't think of a better setting in which to begin their marriage.

With great appreciation-

Debby
