

Dear Lord Thompson Manor Management and Staff,

Our wedding weekend at the manor was simply the best time of our lives. Your personal level of service and attention to detail were impeccable. Every single guest at our wedding has had nothing but wonderful things to say about their experience. We loved everything from the food to the gorgeous scenery. Most of all, we were able to show up for the weekend and relax, knowing that everything was being taken care of. Everything about our wedding was perfect, and we sincerely thank you all.

Warmest regards
Kryste + Brian
