

Jackie, Andrew + your wonderful staff, 8109

We have already raved to you + about you countless times but it isn't enough! You crafted a fairytales wedding. The people you work with are unmatched, + you made us feel like family. The attention to detail goes beyond what one would expect, you catered to us in ways we would not have imagined. We continue to relive the weekend. Thank you for putting on an amazing weekend together - everyone was blown away + felt like they were in a different place + time. Feel free

to use us as a reference + we hope to stay in touch.

Fondly,
