*Dear Jackie and Andrew,*

*I want to thank you for the most beautiful, grand, opulent, wonderful wedding for my Daughter Melanie.*

*From the white gloved people parking cars, to the beautiful lady directing everyone at the door. The Cottage and spa is very comfortable and Kelly did a great job over there.*

*Also, Ted who really knows what he is doing and how to do handle everything and everyone. Tell him I shall sing his praises!*

*Chef Mike made delicious food and beautiful presentations, and plenty of it!*

*Jackie, you did an unbelievable job, far and above the call of duty. The flowers were magnificent, exactly what I had hoped for and more. The decorations are first class throughout the property. Thank You.*

*Andrew thanks for getting us signed up!! I know you help with all aspects of the event. Thanks for a job well done.*

*Regards,*
