

Dear Andrew and Jackie,

Dan and I would like to thank you so much for everything that you did to make our stay at Lord Thompson Manor so wonderful! We will always have fond memories of this very special event in Debby and Sean's lives.

You and your staff were friendly, polite, kind, and helpful. You made us feel comfortable and welcome. We received many compliments from our guests that it was the best wedding they had attended and that it was elegant. When we heard it from so many people, you know they really meant it. The food prepared and services you provide were superb.

Jackie, thank for allowing us to have the hair and make-up in our bedroom. We were very careful to place towels on your furniture, etc. so when Bill and Autumn left you would not have known they were even in our room. They told us that it was the best wedding that they had done, and it was the first time that they were provided with lunch — which to me is inconsiderate that it hasn't happened before for them. Since this experience I know for a fact, Bill is highly recommending LTM to his clients that are planning a wedding.

Andrew, thank you so much for sharing your special single malt Scotch with Dan. He savored this drink! It was the first drink he has had since the fall of 2004. I'm thrilled to share with you that his present cancer treatment is working, and we have had two CAT scans of stable disease.

One of your best-kept secrets is Ted. He is truly a fantastic person. From the minute I met him I felt like I had known him for years — this is a wonderful gift. If I had known he sang, I would have loved to have had him to sing during the wedding ceremony. What a wonderful surprise to have him sing Sunday morning at the brunch!

I don't think we could have selected a more perfect place to celebrate Debby and Sean's wedding. Although it was pouring rain a great deal of the time, it did not put a damper on the joy or enjoyment of this special occasion.

I apologize for not sending this sooner. Right after the wedding we started remodeling our house. We are far from finished, but I just had to take time to send a card. Thank you for helping to make Debby and Sean's wedding day and weekend so very special!

Sincerely
Dan & Debra
